### Use of Photographs

From time to time High Schools International may wish to use photographs or images of students for the following purposes:

- on their website;
- for marketing or promotional publications.

High Schools International will not publish photographs or images of individual students or name students when photographs are used [whether current or former students] without the express agreement of the appropriate individual or parental consent if under the age of 18.

In any event High Schools International will only use photographs of students in suitable dress.
